# INDEX TO VOLUME 19

## Subject Index

### Abortion
Abortion Pill and Blood Loss, Update, p. 41.

Likelihood of Induced Abortion Among Women Hospitalized for Abortion Complications in Four Latin American Countries, The, see **Latin America and the Caribbean**.

Many Brazilian Women Hospitalized for Incomplete Abortion Report Using Ulcer Drug as Abortifacient, see **Latin America and the Caribbean.**

### Africa
Adherence to Oral Contraceptive Regimens in Four Countries, see **Oral Contraceptives.**

Attitudes Toward Risky Sexual Behavior and Reactions to People Infected with HIV Among Zambian Students, P. Mufune, K. Osei-Hwedie and L.-K. Mwansa, p. 25.

Between Two Million and Six Million Tanzanians May Die of AIDS over Next 20 Years, World Bank Estimates, Digest, p. 115.

Community-Based Distribution of Contraceptives in Zaire, J. T. Bertrand, M. E. McBride, N. Mangani, N. C. Baughman and M. Kinuani, p. 84.

Comparison of Sterilization Use and Demand from the Demographic and Health Surveys, A, see **Sterilization**.

Contraception in Ghana, Update, p. 3.

COPE Comes to Africa, Update, p. 124.

Correlates of Premarital Sexual Activity Among School-Age Adolescents in Kenya, The, K. Kiragu and L. S. Zabin, p. 92.

Desired Pregnancy and HIV Infection, see **Sexually Transmitted Diseases**.

Differences by Residence and Education in Contraceptive Failure Rates in Developing Countries, see **Contraceptive Practice**.

Early Childbearing, Low Contraceptive Use Maintain High Fertility in Cameroon, Digest, p. 77.

HIV Among Men in Abidjan, Update, p. 2.

HIV and Infant Death in Rwanda, Update, p. 82.

HIV and Prostitutes in Senegal, Update, p. 3.

HIV Testing, Counseling Improved Condom Use Among Rwandan Couples, Digest, p. 35.

Men Make Contraceptive Decisions, see **Contraceptive Practice.**

Migrant Workers Spread HIV, see **Sexually Transmitted Diseases**.

Picture Booklet Improves Knowledge About IUDs in Egypt, Field Briefings, p. 111.

Postpartum Bleeding in Zimbabwe, Update, p. 83.

Role of High-Risk Occupations in the Spread of AIDS: Truck Drivers and Itinerant Market Women in Nigeria, The, I. O. Orubuloye, P. Caldwell and J. C. Caldwell, p. 43.

Sex, Contraception and Childbearing Before Marriage in Sub-Saharan Africa, A. J. Gage-Brandon and D. Meekers, p. 14.

Tale of Two Cities, A, Update, p. 2.

Tanzanian Method Use is Up, Update, p. 3.

Unprotected First Coitus Is Common Among Urban Youths in The Gambia, Digest, p. 120.

Young Ugandans Know Condoms Prevent STDs, But Disagree on Whether Use Shows Respect for Partner, Digest, p. 76.

Zambia DHS Finds High Birthrate and Low Levels of Modern Method Use, Digest, p. 116.

### Asia
Adherence to Oral Contraceptive Regimens in Four Countries, see **Oral Contraceptives.**

Are Supply-Side Strategies Enough in India? Book Review of: *Doing the Needful: The Dilemma of India's Population Policy*, by G. Narayana and J. F. Kantner. Rev. by S. Desai, p. 153.

Asian Women Delay Marriage, Update, p. 42.

Bangladeshi Women Try Implant, Update, p. 83.

Birth Outcomes by Mother's Age at First Birth in the Philippines, J. E. Miller, p. 98.

Breast Cancer and OCs in Indonesia, Update, p. 82.

Comparison of Sterilization Use and Demand from the Demographic and Health Surveys, A, see **Sterilization**.

Contraceptive Prevalence Is Twice as High in Matlab as in Surrounding Areas, Digest, p. 159.

Differences by Residence and Education in Contraceptive Failure Rates in Developing Countries, see **Contraceptive Practice**.

Fat and Fecundity Among Filipinos, Update, p. 123.

Fertility Decline May Be Underway in Pakistan, Latest Survey Data Show, Digest, p. 37.

In Bangladesh, Couples' Method Use Increases as Number of Sons Rises, Digest, p. 81.

Making of the One-Child Policy, The, Book Review of: *China's Strategic Demographic Initiative*, by H. Y. Tien. Rev. by U. Larsen, p. 32.

Much-Awaited Fertility Decline in Pakistan: Wishful Thinking or Reality? The, Z. A. Sathar, Comment, p. 142.

Once-a-Week Pill Rare in India, see **Oral Contraceptives.**

Postpartum Sex in the Philippines, Update, p. 83.

Quinacrine Sterilization Found Effective Among Women in Vietnam, see **Sterilization**.

Seeking Innovative But Noncoercive Change, Book Review of: *The Demographic Challenge: A Study of Four Large Indian States*, ed. by J. K. Satia and S. J. Jejeebhoy. Rev. by J. Chamie, p. 113.

Sex Selection Banned in India, Update, p. 42.

Thai Men with Multiple Partners, Update, p. 82.

Two-Child Family in India: Is It Realistic? The, I. Rajan, U. S. Mishra and M. Ramanathan, p. 125.

### Barrier Methods
HIV Testing, Counseling Improved Condom Use Among Rwandan Couples, see **Africa**.

Young Ugandans Know Condoms Prevent STDs, But Disagree on Whether Use Shows Respect for Partner, see **Africa**.

### Breastfeeding
Breast Milk Infectivity Varies, Update, p. 124.

Fertility Decline May Be Underway in Pakistan, Latest Survey Data Show, see **Asia**.

Mean Duration of Breastfeeding Has Risen in Some Developing Countries, Fallen in Others Since 1970s, Digest, p. 34.

Pacifiers Tied to Early Weaning, Update, p. 83.

Specialized Counselors Bolster Breastfeeding in Honduras, see **Latin America and the Caribbean**.

### Contraceptive Practice
Comparison of Sterilization Use and Demand from the Demographic and Health Surveys, A, see **Sterilization**.

Contraception in Ghana, see **Africa**.

Contraceptive Prevalence Is Twice as High in Matlab as in Surrounding Areas, see **Asia**.

Differences by Residence and Education in Contraceptive Failure Rates in Developing Countries, L. Moreno, p. 54.

Early Childbearing, Low Contraceptive Use Maintain High Fertility in Cameroon, see **Africa**.

Fertility Decline May Be Underway in Pakistan, Latest Survey Data Show, see **Asia**.

Fertility Rate Decreases Despite Low Method Use Among Women in Ecuador, see **Latin America and the Caribbean**.

In Bangladesh, Couples' Method Use Increases as Number of Sons Rises, see **Asia**.

Men Make Contraceptive Decisions, Update, p. 124.

Sex, Contraception and Childbearing Before Marriage in Sub-Saharan Africa, see **Africa**.

Tale of Two Cities, A, see **Africa**.

Tanzanian Method Use is Up, see **Africa**.

Two in Three Dominican Women in Union Who Use a Method Are Sterilized, see **Latin America and the Caribbean**.

Unprotected First Coitus Is Common Among Urban Youths in The Gambia, see **Africa**.

Zambia DHS Finds High Birthrate and Low Levels of Modern Method Use, see **Africa**.

**Contraceptive Research**

Early Success for Single Implant, see **Hormonal Implants and Injections**.

New Route for Old Method, see **Oral Contraceptives**.

Norplant II Trials Continue, see **Hormonal Implants and Injections**.

Smaller and Better New Implant, see **Hormonal Implants and Injections**.

**Fertility: Planning and Effects**

Early Childbearing, Low Contraceptive Use Maintain High Fertility in Cameroon, see **Africa**.

Fertility Decline May Be Underway in Pakistan, Latest Survey Data Show, see **Asia**.

Fertility Rate Decreases Despite Low Method Use Among Women in Ecuador, see **Latin America and the Caribbean**.

Men Make Contraceptive Decisions, see **Contraceptive Practice**.

Much-Awaited Fertility Decline in Pakistan: Wishful Thinking or Reality? The, see **Asia**.

Two in Three Dominican Women in Union Who Use a Method Are Sterilized, see **Latin America and the Caribbean**.

Zambia DHS Finds High Birthrate and Low Levels of Modern Method Use, see **Africa**.

**Hormonal Implants and Injections**

Bangladeshi Women Try Implant, see **Asia**.

Early Success for Single Implant, Update, p. 42.

Norplant II Trials Continue, Update, p. 123.

Smaller and Better New Implant, Update, p. 2.

U.S. Gets Injectable Contraceptive, Update, p. 2.

**Intrauterine Devices**

Effectiveness and Cost-Effectiveness of Postpartum IUD Insertion in Lima, Peru, K. G. Foreit, J. R. Foreit, G. Lagos and A. Guzman, p. 19.

Picture Booklet Improves Knowledge About IUDs in Egypt, see **Africa**.

**Latin America and the Caribbean**

Childhood Mortality Risk in Brazil Appears Linked to Short Birth Intervals, Digest, p. 118.

Chilean Views on Quality Care, Update, p. 82.

Comparison of Sterilization Use and Demand from the Demographic and Health Surveys, A, see **Sterilization**.

Cost Recovery and the True Cost-Effectiveness of Contraceptive Provision, see Programs: **Evaluation and Funding**.

Differences by Residence and Education in Contraceptive Failure Rates in Developing Countries, see **Contraceptive Practice**.

Effectiveness and Cost-Effectiveness of Postpartum IUD Insertion in Lima, Peru, see **Intrauterine Devices**.

Fertility Rate Decreases Despite Low Method Use Among Women in Ecuador, Digest, p. 79.

Impact of a Perinatal Reproductive Health Program in Honduras, The, R. Vernon, J. R. López-Canales, J. A. Cárcamo and J. Galindo, p. 103.

In Haiti, "Mystery Clients" Evaluate Quality of Care, Field Briefings, p. 28.

Likelihood of Induced Abortion Among Women Hospitalized for Abortion Complications in Four Latin American Countries, The, S. Singh and D. Wulf, p. 134.

Many Brazilian Women Hospitalized for Incomplete Abortion Report Using Ulcer Drug as Abortifacient, Digest, p. 156.

Pacifiers Tied to Early Weaning, see **Breastfeeding**.

Poverty Risk for Families of Chilean Teenage Mothers Determined by Woman's Education, Father's Support, Digest, p. 75.

Specialized Counselors Bolster Breastfeeding in Honduras, Field Briefings, p. 110.

Two in Three Dominican Women in Union Who Use a Method Are Sterilized, Digest, p. 36.

**Maternal and Child Health**

Birth Outcomes by Mother's Age at First Birth in the Philippines, see **Asia**.

Breast Milk Infectivity Varies, see **Breastfeeding**.

Childhood Mortality Risk in Brazil Appears Linked to Short Birth Intervals, see **Latin America and the Caribbean.**

Chilean Views on Quality Care, see **Latin America and the Caribbean**.

Counseling for Risky Pregnancy, Update, p. 2.

Desired Pregnancy and HIV Infection, see **Sexually Transmitted Diseases**.

Early Childbearing, Low Contraceptive Use Maintain High Fertility in Cameroon, see **Africa**.

Fertility Decline May Be Underway in Pakistan, Latest Survey Data Show, see **Asia**.

Fertility Rate Decreases Despite Low Method Use Among Women in Ecuador, see **Latin America and the Caribbean**.

Impact of a Perinatal Reproductive Health Program in Honduras, The, see **Latin America and the Caribbean**.

Late Births and Breast Cancer, Update, p. 42.

Low Birth Weight Linked to Malaria, Update, p. 124.

Neonatal Tetanus Declines, Update, p. 123.

Pacifiers Tied to Early Weaning, see **Breastfeeding**.

Postpartum Bleeding in Zimbabwe, see **Africa**.

Prevalence of Maternal Tetanus, Update, p. 41.

Two in Three Dominican Women in Union Who Use a Method Are Sterilized, see **Latin America.**

Zambia DHS Finds High Birthrate and Low Levels of Modern Method Use, see **Africa**.

**Oral Contraceptives**

Adherence to Oral Contraceptive Regimens in Four Countries, D. Hubacher and L. Potter, p. 49.

Breast Cancer and OCs in Indonesia, see **Asia**.

New Route for Old Method, Update, p. 83.

Once-a-Week Pill Rare in India, Update, p. 41.

Pill-Associated Strokes Found Less for Low-Dose than for Higher Dose Pill, Digest, p. 158.

**Population: Policy and Research**

Are Supply-Side Strategies Enough in India? Book Review of: *Doing the Needful: The Dilemma of India's Population Policy*, see **Asia**.

Making of the One-Child Policy, The, Book Review of: *China's Strategic Demographic Initiative*, see **Asia**.

Norway, Sweden and United States Are Rated Highest in Commitment to World Population Assistance in 1991, Digest, p. 155.

Population Ups and Downs, Update, p. 41.

Road from Rio to Cairo: Toward a Common Agenda, The, S. Cohen, Special Report, p. 61.

Seeking Innovative But Noncoercive Change, Book Review of: *The Demographic Challenge: A Study of Four Large Indian States*, see **Asia**.

Two-Child Family in India: Is It Realistic? The, see **Asia**.

**Programs: Evaluation and Funding**

Chilean Views on Quality Care, see **Latin America and the Caribbean**.

Community-Based Distribution of Contraceptives in Zaire, see **Africa**.

COPE Comes to Africa, see **Africa**.

Cost Recovery and the True Cost-Effectiveness of Contraceptive Provision, D. Chernichovsky and J. Anson, p. 129.

Exchange Rates and the Costs of Family Planning, W. C. Robinson, Letter, p. 72.

Family Planning Counseling: An Evolving Process, C. S. Verme, P. B. Harper, G. Misra and G. S. Neamatalla, Special Report, p. 67.

How To Fear Evaluation Less and Use It More, Book Review of: *Improving Family Planning Evaluation: A Step-by-Step Guide for Managers and Evaluators*, by J. Gárcia-Núñez. Rev. by J. N. Gribble, p. 73.

Impact of a Perinatal Reproductive Health Program in Honduras, The, see **Latin America and the Caribbean**.

In Haiti, "Mystery Clients" Evaluate Quality of Care, see **Latin America and the Caribbean**.

Operations Researchers Share Findings, Problems and Goals, Field Briefings, p. 29.

Process for Quality Improvement in Family Planning Services, A, K. Hardee and B. J. Gould, Special Report, p. 147.

Picture Booklet Improves Knowledge About IUDs in Egypt, see **Africa**.

Specialized Counselors Bolster Breastfeeding in Honduras, see **Latin America and the Caribbean**.

Toward a Client Orientation in Family Planning, Book Review of: *Managing Quality of Care in Population Programs*, ed. by A. K. Jain. Rev. by J. F. Helzner, p. 31.

**Sexual Behavior**

Attitudes Toward Risky Sexual Behavior and Reactions to People Infected with HIV Among Zambian Students, see **Africa**.

Correlates of Premarital Sexual Activity Among School-Age Adolescents in Kenya, The, see **Africa**.

Postpartum Sex in the Philippines, see **Asia**.

Role of High-Risk Occupations in the Spread of AIDS: Truck Drivers and Itinerant Market Women in Nigeria, The, see **Africa**.

Sex, Contraception and Childbearing Before Marriage in Sub-Saharan Africa, see **Africa**.

Thai Men with Multiple Partners, see **Asia**.

Unprotected First Coitus Is Common Among Urban Youths in The Gambia, see **Africa**.

Young Ugandans Know Condoms Prevent STDs, But Disagree on Whether Use Shows Respect for Partner, see **Africa**.

**Sexually Transmitted Diseases**

Attitudes Toward Risky Sexual Behavior and Reactions to People Infected with HIV Among Zambian Students, see **Africa**.

Between Two Million and Six Million Tanzanians May Die of AIDS over Next 20 Years, World Bank Estimates, see **Africa**.

Breast Milk Infectivity Varies, see **Breastfeeding**.

Desired Pregnancy and HIV Infection, Update, p. 124.

HIV Among Men in Abidjan, see **Africa**.

HIV and Infant Death in Rwanda, see **Africa**.

HIV and Prostitutes in Senegal, see **Africa**.

HIV Found in Female Genital Fluid, Update, p. 123.

HIV Testing, Counseling Improved Condom Use Among Rwandan Couples, see **Africa**.

Migrant Workers Spread HIV, Update, p. 42.

Role of High-Risk Occupations in the Spread of AIDS: Truck Drivers and Itinerant Market Women in Nigeria, The, see **Africa**.

Young Ugandans Know Condoms Prevent STDs, But Disagree on Whether Use Shows Respect for Partner, see **Africa**.

**Status of Women**

Road from Rio to Cairo: Toward a Common Agenda, The, see **Population: Policy and Research**

**Sterilization**

Comparison of Sterilization Use and Demand from the Demographic and Health Surveys, A, N. Rutenberg and E. Landry, p. 4.

Menstrual Complaints Rise with Increasing Years Since Tubal Sterilization, Digest, p. 39.

Quinacrine Sterilization Found Effective Among Women in Vietnam, Digest, p. 157.

Sterilization Deaths Are Down, Update, p. 3.
